

RN Brain – Privacy Policy

Last updated: January 2026

This Privacy Policy explains how RN Brain LLC (“Company,” “we,” “us,” or “our”) collects, uses, discloses,

and safeguards information when you use the RN Brain mobile application and related services (“RN Brain,”

“Service,” or “App”). This version is tailored for users in the United States.

1. Overview

RN Brain provides AI-assisted structured responses to nursing-related educational topics submitted by users.

The service uses third-party AI providers to process prompts and generate outputs.

2. Information We Collect

Account Information: name, email, password/auth tokens, role, subscription tier, and profile settings.

Billing Data: subscription plan (\$8.99/month or \$89/year) and transaction metadata from Apple, Google, or Stripe.

Usage Data: feature usage, timestamps, device identifiers, crash logs, and diagnostics.

Technical Data: device type, OS version, language, and network information.

Content You Provide: prompts, searches, feedback, or attachments.

AI Outputs: responses generated from submitted prompts.

Healthcare Notice: Users must not submit identifiable patient information or PHI unless legally permitted.

3. How We Use Information

- Provide and operate the service
- Authenticate accounts and manage subscriptions
- Generate AI responses
- Improve product performance
- Monitor security and prevent fraud
- Comply with legal obligations

4. Sharing and Disclosure

Information may be shared with hosting providers, AI providers, analytics services, and payment processors

such as Apple App Store, Google Play, and Stripe.

5. Data Retention

Data is retained only as long as necessary to provide the service and meet legal obligations.

6. Security

We use administrative and technical safeguards such as encryption and access controls to protect data.

7. Children's Privacy

RN Brain is not intended for users under 18.

8. State Privacy Rights
